

Is it unfair to present only one side of the issue-- Sinclair wants to present a long smear of John Kerry only weeks before the election. Networks are being forced to air this one-sided partisan attack 'Stolen Honor' as "news" or a "documentary" when it's a smear campaign. We as viewers need to see BOTH SIDES OF THE ISSUE! If this program is aired, then the public has a right to see the pro-Kerry movie "Going Upriver".

Sinclair is using the public airwaves to serve the public, and they must honor the fact and not promote only their view. This is a serious issue and they must obey the laws. Please take immediate action to stop or correct this attack. Thank you!!
